The Wesley *at Eastern Kentucky University*

The Wesley at ECU desires for students to gather in community to experience God, grow in their faith and serve people. With everything we do, we work towards a reality where every student is loved, happy, and whole in Christ.

Getting Ready for Fall 2020

When we left campus in mid-March of this year we knew that in whatever way we were able to come back to campus things were going to be very different. Now phrases like "social distancing" and wearing a mask are part of our

everyday lives. As we thought and discussed re-entry plans at the Wesley we knew the value of having space on campus that we call our own. Our Wesley building has been a safe place--a home away from home--for hundreds of students over the past 50 years. We want to make sure we do everything possible for our space to continue to operate as a safe place for students to gather in community.

As a Christian ministry, hospitality is a driving force in the way we care and serve the ECU community. In light of COVID-19, we need to make a number of changes to our building to comply with recommendations from the CDC, ECU and the KYUMC, but more importantly, so that we can offer hospitality that is safe and beneficial to the students of ECU.

Would you help us get our building ready for the fall semester 2020? We have several deferred maintenance projects that need our attention before we welcome students back to campus and you can help make that possible.

Here is a starting list of the things we need to do as we prep for our re-entry. There will be more added as we get closer to the beginning of the semester. We are looking to raise \$3000 to cover our initial planned expenses.

- * No touch thermometer = \$100
- * 2 Touchless hand sanitizer stations = \$100 (\$50 each)
- * Cleaning supplies = \$250
- * Hand sanitizer refills = \$180/case of 12
- * Disposable mask = \$100/case of 150
- * Cleaning air ducts
- * Water fountain with bottle filler = \$1000
- * New signage = \$1000

Join us in creating a safe and hospitable place for the students of ECU by donating to our "Ready for Re-Entry" Fundraiser. You can donate through the [Facebook fundraiser page](#), or by going to our website, www.ekuwesley.org/support.*

Thank you in advance for your care and support of this ministry and our students.
